Rick Younce	KTC		
-------------	-----	--	--

**A. Pre-Bid Conference**

The meeting was convened at 1:00 P.M (Eastern Time) by Tom Mathews of KYTC Central Office.

**Question and Answer**

Q: Paul Collaros from Eagle Painting & Maintenance asked if they had a licensed engineer from another state would that be acceptable.

A: Tom Mathews stated it had to be a Kentucky licensed professional engineer. Mike Baase stated that the engineer did not have to live in Kentucky but had to be a current Kentucky licensed engineer.

Q: O'Dail Lawson from KYTC asked if the sprayed on surface of the sidewalk on the truss bridge, that had to be protected, was a concrete sealant.

A: Matt Looney stated it is an epoxy with a fine aggregate in it.

Q: Paul Collaros from Eagle Painting & Maintenance asked how long does it take for the Division of Materials to approve the paint.

A: Mike Baase stated they have ten working days from the day that it is received.

Q: Mike Baase from KYTC asked if a pre-qualified contractor to perform steel repairs required.

A: Tom Mathews stated yes.

Q: Paul Collaros from Eagle Painting & Maintenance asked about the six steel repairs.

A: Tom Mathews stated that when they go out on the field visit they would show the contractors the locations of these repairs.

Q: Mike Baase from KYTC asked they were bid as a unit bid price.

A: Tom Mathews stated it is a lump sum for structural steel.

Q: Mike Baase from KYTC asked if they were currently identified as to which ones are to be repaired.

A: Tom Mathews stated yes.

Q: Paul Collaros from Eagle Painting & Maintenance asked when the bridge had to be opened for the special dates, will the state provide an area to store the contractors equipment.

A: Mike Baase stated no.

---

Meeting was adjourned at approximately 1:40 PM.

**DISTRICT 5**  
**037GR10M010**  
**01-08-2010 Pre-Bid Field Review Questions**

Q. Can the chain link fence on the B00065N structure be replaced instead of cleaning and painting?

A. **Yes, the contractor shall submit their method to replace the fence and the materials that will be used for approval by the Cabinet.**

Q. Does the steel behind the wooden utility conduit on the B00065N structure get cleaned and painted?

A. **Only the steel behind the wooden utility conduit that is considered accessible by the Engineer will be cleaned and painted.**

Q. Does Kentucky require a tree trimming contractor to be a certified arborist?

A. **No**

Q. Will the cabinet furnish a paint storage facility?

A. **No, this is covered in the special note for Surface Preparation and Paint Application.**

Q. Is the square foot estimate available for the Contractor?

A. **It is listed in the project related information for the November 20, 2009 letting. This is for information only and is not intended for estimating purposed.**
